

DECEMBER 7, 1993

Minutes of the Commissioners meeting.

PRESENT; Commissioners Fraley, Marshall, Ricketts, Mayor Burke, City Clerk Martha Ferguson, Commissioner elect Jim Cardwell. Attorney Woolridge and Commissioner Druin arrived later. Visitors were Kevin Burke and Paul Kulmer.

MINUTES: The minutes of the November Meeting were read by Martha Ferguson. A motion was made by Commissioner Fraley to accept the minutes and seconded by Commissioner Marshall and passed unanimously.

BUDGET: A motion was made by Commissioner Marshall and seconded by Commissioner Fraley to pay the bills including stamps to mail letters of administrative changes and tax bills. This includes the LGE bills and any other bills that Ms. Ferguson may receive due to the change in addresses of city clerks. The motion unanimously carried.

Mayor Burke informed the group that a new checking account with interest has been established at Bullitt Federal Savings and Loan for all deposits of the new clerk. The account remains at Bullitt County Bank until David Bass, CPA completes the audit on records prior to December 1, 1993. Since Ms. Ferguson and Ms. Muir did not meet as was previously planned, Mayor Burke made arrangements to pick up the City Records. Mr. Bass has most of the records for the audit. Ms. Ferguson will maintain the records including the copies of the City Ordinances when the audit is completed.

Commissioner Marshall questioned if the December 1 penalty for not paying taxes on time was being imposed since some had not received their tax bill. Mayor Burke explained that this would not be done at this time.

Mayor Burke told Commissioner Ricketts that the Certificates of Deposits would be changed over when he becomes Mayor but that the certificates have already been voted to go into the building fund.

OLD BUSINESS: Kevin Burke was present to request information on an ordinance to alleviate noise and overweight trucks entering the city. According to Attorney Woolridge, County Attorney Sholar will enforce the ordinance, but a property owner must formally file a complaint. The noise affects several residents on Scenic Trail who have school age children. Attorney Woolridge agreed to write violation letters to the following property owners: Ritchey, Robards apartment tennant and Woodrum. Ms. Ferguson supplied the correct addresses. Attorney Woolridge will obtain the renters name and address.

Commissioner Fraley was concerned about vehicles parking on the streets. After much discussion, and since the same violations continue, it was tabled until copies of the ordinances are returned from Mr. David Bass, CPA. We hope to have the ordinance available at the January meeting.

NEW BUSINESS:

Mr. Paul Kulmer mentioned if the city had plans for the excess money. Mayor Burke informed that several things had been considered but some of the money is designated by the state^{of} what it can be spent ; such as the road maintenance monies. Mr. Kulmer said a Community Center would be nice.

The newly elected officers will be sworn in at the next meeting on January 4, 1994 by Attorney Woolridge.

ADJOURNMENT: Commissioner Druin made a motion to adjourn and Commissioner Herschel Ricketts seconded. The meeting was adjourned.

Herschel Ricketts Jr
